wot i am saying is

we made a battle clan and we try to get on the page to get ppl to join the clan (clan pages) and i know thye not working but dose any 1 know any other way i can try getting them into the clan
????

we have a few up comeing clan matchs but only 3 ppl in the clan and more w8ing but we cant get n the clan pages

any toher ways u lot know how i could sort this ????
