Cebti am hereby announcing that im leaving the renegade community because of the fact that i cant take all the flamings and unfriendly attitudes anymore, i just hope for those that are staying that it will get alot better by time

If you can't take it, why do you attack others yourself? The only flames against you I've seen were started by you, they were only replies to your flames.

Hmm, stop getting in the middle of arguments, and stop starting them yourself and you won't see any more flames against you, how simple is that? :rolleyes:
