glyde51deadfivelf you are referring to the clan pages. They do not work. Clans are worthless anyways, "in my opinion."

RenGen isn't just about his clan...
...it is his way of life.

LOL

Christianity is also a way of life. So how now, does RenGen and its ways, its idols, its principles, its institutions, compare to that of Christianity, the world's most popular way of life?

Do you set aside time on Sundays to worship Havoc and celebrate holidays in honor of GDI and mammoth tanks? And crappy websites?

Haha.
