Dr.SnugglesIt's visually appealing but gameplay wise rather dull. Nothing out of the ordinary. Nothing new at all.

If you're satisfied with another standard RTS title I guess you won't be disappointed. Otherwise steer clear out of this one.

I have to agree. The graphics are pretty cool, but gameplay is a bit slow paced. I dont see much of a difference from RA2. If you have to have it, just wait a bit, I m sure the price will come down soon.
