LMAO, Nice to know that some people still think Bush is good person,,NOTTTTTTT!!!! Fuck Bush, I got 1 uncle dead, and 1 was injured, and another who's ready to come home. So stop being Bush Ball Jockers, shit he sent troops over there to die. Iraq's people don't want to be freed shit they were fine before the war. Saddam killed his people so fuckin what, It ain't do different then Bush sending us over there. In my eyes thats killing your own!! It's easy for ya'll to say bush is protecting freedom until ya'll get a phone call stating some one in your family died in iraq. I bet you won;t think bush a protector then. I wish somebody would kill Bush, I would fell alot better.
