Woohoo, you got a rise out of people 5-8 years younger than you. Show your mom so she can print it out and magnet it to the Refrigerator. Anyway your full of shit, I just wanted to insult you again. You express no political preference of your own, you just mirror the preferences of others you hear or see. Your a prime example of what the liberal media can "produce". Talk to SFE, he'll like you, hes a tool too.
