I know what it takes to fund servers. I'm not an idiot as to what it takes to have a server. Granted, I've never actually set one up, but if I got people to do it for me, I'm damn well going to take advantage of it. That's besides the point, anyways. The fact of the matter is, I don't have stupid rules. I don't ban someone because a word may be offensive. I've felt the same pain that you guys have, and yet, I have a different opinion, so take it as it is... AN OPINION. If you don't like it, oh well, ignore it then. You certainly don't help my opinion of MP at all.

As for the circle jerking, I'm not part of a "close community", so I can't say that I've had the "pleasure" of a circle jerk.

With that being said, I also have 2 words for you:

GROW UP!
