So how many apps have they put in for a better job lately?

Some fill apps out like its a job.But that does most of them no good cause they been to jail for  
child support.Its hard to get a job with that on your record.He didn't do nothing wrong, just couldn't  
pay the child support.Now his record tarnished.he still get out and try everyday.so you can keep  
all that poor people lazy and stuff ,cause its not a fact that all are lazy.
