kinghigh -

You say "it's not worth risking because you get nothing in return"...Well, it's brave people like Ripin' that have fought & won all of the priviledges you are afforded by this great country. You may not agree with this war but you must respect the individuals such as Ripin' who put their lives on the line for YOU & all the other slack, apathetic Americans.

Thank you Ripin' & come home safe friend.
