The army would just have to come find me,I'm the a.w.o.l type of person.thats to much you risking your life for,and getting nothing in return.

YOU SICKEN ME! How dare you fucking say that. They're dying for you to have that opinion and voice it. What are they getting out of it, you wonder? They're protecting their friends of family and their friends and family. That has to be one of the best feelings to ever have, and you dare say that they get nothing out of it. I hope one day you realize how much of a FOOL you are and then realize that you are nothing but scum.
