If the sex any good,she won't kill you  
Does the age 13 mean anything to you?

Thats it 13. I started playing house and doctor at 5 years old by the time I was 7.I knew pretty much everything dealing with sex.You wonder, where the hell you learn and do all that. At daycare, then kindegarden, the games kids played back then hide-go-seek and duck,duck,goose.aww sweet,sweet memories.....
