prox wrote on Mon, 20 June 2005 21:37Uh, unless she's a "real" (not real as in real, but as in serious or slightly serious, meh you get my point) girlfriend, let her be pissed. I sometimes find video games more fun than some girls honestly. At least your World of Warcraft doesn't get jealous when you're playing with your Battlefield 2 demo, enough said.

Amen to that.
