I don't support terrorism, I believe people have their reasons for what they do and I let GOD judge them for that, I don't judge, it's not my place.

the real reason here is people don't like the King, so let's ban him

this poll is because someone mis-interpreted what I said in that post or it seems all did.

Don't support terrorism, huh?

wow.... do you even know who Saddam is?

Yes I do, He just doesn't seem that bad, I have no problems with Saddam,

Translation: I know he kills his own citizens and funds terrorist operations, but he's not that bad!

This has absolutely nothing to do with "hating someone because others hate him". It has everything to do with the acts he has committed against humanity. Letting God judge them is fine, but that is no excuse for thinking there is nothing wrong with letting someone hurt others, simply because you are not affected.

Though I find it highly amusing that you turn to God while at the same time being incredibly selfish and evil.
