edit. Hmmm. It seems many familiar names from this forum have ended up in there. I wondered how long it would take.

But does anyone have 6 entires like me?

Thats my alternate name. They oddly didnt have Lijitsu, which is just the act of quickly drawing a weapon and attacking with it.

()LOL! Look at the two that AircraftKiller got:

Your name is different because Drow apparently are elves.

Nodbugger is a completely made up name, and the entires were all describing me.
