I'm pretty sure we're the ones at fault here, as he said, the majority of us "don't know anything"...

I wish I was as smart as a 14 year old liberal tool.... one can only dream, I guess.

I guess the funniest thing is, in all the years we've been here, he still hasn't learned that he shouldn't start out a conversation with slander.. it just doesn't make good "conversation".
