It's quite annoying when they do that. I have a good SBH esp & on CTF servers where SBHs can be bought by both teams, I like to purchase my own & hunt them down. Nothing is better to hunt down an invisible person than another invisible person.

& it can also be frustrating when SBHs plant a beacon once every minute or 2 if its a map with no base defenses or the defenses have been taken out & the team isn't good enough to do SBH sweeps.

But any-who, I think SBHs add an interesting & fun element of gameplay. (When people are not being total n00bs.)
