flashcar1Madtonei have a Audi TT Roadster model on my HD that i made when i was bored, lol i even skinned it!

i love audi TT's! i might be gettin one.

the sports car model, if it were to be a dodge viper then it would need a longer front end.
take a look: <http://www.vipercentral.com/pics/pics.htm>

That wasn't supposed to be a Viper.

The Exige looks cool and all, but it has some really crappy performance and speed.
