Quote:2.Terrace (because the aircraft in Hangmans_Canyon are useless and too easy to hit with snipers)

Heh, well, I don't have a problem with this. Though I think some people just might...oh well

Quote:4.A new map Titan is working on especially for Core Patch 2 (We couldnt get hold of the author of Deth_River so we decided to drop that)

here too. I hope it'll be a good map.

Thanks for the update!
