Joseph Collins wrote on Tue, 12 July 2005 16:19: Additionally, I'd say 99.9% of all existing skins don't work with RenGuard due to the chance someone may be trying to exploit something or other, such as making Stealthed units visible/more visible than usual, or things like that. In short, if you skin your Renegade's models. . .any one of them. . .you won't be able to play on RenGuarded servers anymore. But I guess that's not a problem if you stick to halfRenGuard and unguarded servers.

You can use skins on Full Renguarded Servers, just not Pure Renguard ones.
