flyingfox wrote on Mon, 11 July 2005 18:11 Best tactic is to use a hack to kick the sniper out of the game.

If he returns, repeat the procedure.

That way, one rids himself of snipers in a typical renegade.

I can't believe you're such an ass that you'd even think of that, cyberp-- I mean, flyingfox.

The best way to deal with snipers is to use your own, get an APC, or be sneaky with shotgunners if that's all you've got.
