I know where you can get some skins.

<http://www.africancraftsmarket.com/animal%20skins.html>

[http://www.i-fur.com/fur\\_rugs.htm](http://www.i-fur.com/fur_rugs.htm) reasonable prices!

I went for the sheepskin rug; reduced to \$99 and great as a pillow when rolled up!

Now edit your original topic title to add "question answered", there's a good chap
