ok i hope thats the solution, the new scripts because if it isnt i might as well shoot myself because i really dont want to sit and stair a a stupid little blue bar travle at 0.000000000000001 mph and go halfway accross my screen.

(Internet Connection AOL phone line dial up. Goes as fast i u can learn to spell the word antidisabishmentterialism correctly {That is a real word, and i didnt spell it right})
