to be honest, i am sorry 4 whareva i did

but i dont see why u be so mean to ban me for that. basically its abuse of admin powers, i didnt do anything worthy of getting banned to be honest did i? i didnt use hax, cheats, try to bypass renguard, i went to join a server and i get banned well gj. tbh i think this is whats klling the amount of servers, ppl are just getting banned for no reason. me and tec r both banned now and why? dunno but plz unban me so i can play me games?
