cut the guy some slack, at least hes trying, i dont see any of you trying to fix the clan pages do i?
so stop turning into ACK's   remember, CONTRUCTIVE CRITISICEM

nopic, im not sure if that green colour fits in with the renegade background, if you dont have the
skill to create something that looks a lil nicer, and not so hard on the eyes   y dont you try just
plain text? simple is sometimes a better thing

also, i dont see how your going to be able to do the other pages   , but hey! its a nice lil html file
for me to keep on my computer for when i wanna go to the clan pages without opening renegade
