In the stickey you missed this ban message:

Message from RenGuard: You have been banned by CrimsonSleepin on 21.07.2005 12:31:52 for XeonTeam: You're not on our network to be cheat-free, so be gone.. Goodbye.

Obviousley this one is meant for me, but who cares. It should be gone as soon as crimson gets the money. I did send it over a week and a half ago though.
