Subject: How do i get rid of corrupt files?
Posted by Billiam500 on Mon, 29 Aug 2005 23:28:43 GMT

I dowloaded and installed renguard, when i run it it says that I have corrupt files that need to be fixed before I can get core patch 1.
they are: always; and scripts.
I clicked the link and downloaded those two from the renguard window, but I'm not sure of what to do with the zip files.
any help would be appreciated.
