hooo ok... i finnaly understaaaaaaand

long distance love?

someone said : "for love "long distance" make love grow bigger or make it colder"...(sorry for the translation...i hope u won't complain about it but, well....)

i'll let u meditate on this for tonight.

may i do a last JOKE? yeah???? thx!

chronojam, have a nice prank tonight in front of u'r webcam, while thinking about my sniping skill (lol) and how nooby u acted the whole time u were on this topic.

ok ok it was an easy JOKE, and i look bad by saying that while i know that long distance love is hard to live with.

but well... i'm a bad guy it seem...

if i were u: (really)

-i would appologize about what i said (you know... the fact that im cheating and all...)

-i would forget the guy i was talking too.

-and i would pay more attention to my girl.

that's it... i won't say that i know what u'r girl is gonna say (yeahhhh he's kind with meee, he love meeeeeee)

but well, what kind of couple have time to say all those silly things ,that, u two said on this topic?

well i think that's the question i'm gonna meditate for... hmmm... 5 min?
