Coolair wrote on Tue, 30 August 2005 17:41Hell i managed to find a nVidia Geforce FX 5600 for just £20 2nd hand and with no problems with running BF2!!

Yeah... if you like running it with every setting on the lowest possible. It looks really ugly that way.

People, don't get either the Geforce FX 5600 nor the 9200 (SE or not, they both suck).
