ben5015se wrote on Thu, 01 September 2005 22:40so, you think your smarter then me, wow proven one thing, your not as smart as you think you are. never EVER think your smarter then someone if you dont know them personaly, ofcourse i take back saying your not smart because i dont know you..

see i dont say things that are illogical, well i dop sometimes but i try not to.

When the fuck did I ever say/imply that I'm smarter than you? I said that only the people I like are allowed to be graced with the knowledge of why I don't like Nightma. I never said anything concerning your intelligence.
