Crimson wrote on Sun, 04 September 2005 13:17: There's no way my fat ass can just "ride a bike" anywhere in my city. It's so spread out that we don't even have a decent mass transit system to cover it.

However, I am telecommuting full time now so I hardly drive at all. Oh, and gas prices were like 1.75 when I bought my minivan.

Why did you buy one anyway? You don't have a bunch of kids, just Blazer!
