Ferhagol was browsing on a site and found this neat skin that turns under into a sand map

<http://www.n00bstories.com/image.view.php?id=1391016836>

I saw a link for another texture change but it wouldnt work. Could someone please tell me where I can get some of these textures?

well i used this for a time its nice yes..but well it also changes the texturs on other maps...it looks REALLY good on mesa but on the other levels it looks shit...
