Now I've disabled the core patch download and I get this:

[16:11] Secure link established.

[16:11] Welcome to RenGuard , CivixX!

[16:11] To launch Renegade, please click 'Renegade'.

[16:11] Unauthorized file game2.exe has been found in your renegade directory

[16:11] Disconnected from RenGuard network

It make me go crazy!
