BHmath wrote on Thu, 06 October 2005 20:17 Why has this topic gotten off topic. This is supposed to be a recruitment topic. I want these other "off topics" moved to general discussion or something...(TO: MODS!)

ROFLMFAO! Like they're gonna listen to you. You have any idea how many times a topic has go off-topic before it's closed, much less have the off-topic posts moved*? Dude, you haven't been here long enough to know what's what and who's who. And y'know, how to ask for something.

*This is not meant as an insult, just that the Moderators have more important things to do.
