Subject: In the mood to map... Posted by Slash0x on Fri, 14 Oct 2005 08:42:19 GMT View Forum Message <> Reply to Message

I don't know why? But I got some wild hair to map in Ren. Here's some screenies of what I have done with it. I hope you like.

I'm thinking about adding some plants and stuff to hide and eye candy and the building would be eventually a tower. and there're two empty areas I am not sure exactly what I'm going to put there. Perhaps some spawn "home" points.
