EA ASSCLOWNS,

Seriously, this is the last draw...I'm amazed that renegade players are going to be on XWIS, when thier is already a perfectly viable alternative: GAMESPY and guess what? Yes you their is a still an active comunnity their and every time wol was down, everyone migrated their little asses to gamespy... Why can't everyone just do the same this time and just stay put?

RIP: Renegade, it was fun while it lasted but soon, no one will be playing...
