and your idea of you being drunk and still having common sense is funny. You were talking to me on TS saying the most annoying things, being an ass to someone from wil0's server and being an annoying grammer nazi....

Oh no wait, you are right, there was no difference at all!

It was 3 weeks ago, so I don't remember exactly what I was saying over TS, but I do know that I knew what I was saying. Also, YOU'RE the one to told me to be an ass to engnst0rm, so don't be blaming that shit on me.

I did not tell you to be an ass! I said wow you were really calm with him you must be drunk, because you would normally be an ass...and off you went typing the word fuck like 8 times in 1 paragraph
