CNCDENJust a friendly Lion reminder about tomorrow and a specific link that Aaron Kaufman alerted us to:

Aaron: We have something BIG planned, so make sure to check [HERE](#) on November 3rd! (PS: link will be redirected on that day)

I have no idea as to the specific time when the link will be redirected. I have to work on Thursday...won't be back in till sometime in the afternoon. So if something really important comes up, help out the Lion and post it in the comments section so I'll know when I get in.

Interesting. Tomorrow = a happy day then. I will get to see what this commotion is all about, and my Geforce 6800 will arrive through mail.
