Where are the promise programs ???

from brenbot 1.32 there is a line that comes with the standard config of Brenbot.

Teamspeak Regulator coming sone!!! (I have started my own project for a Teamspeak bot but thats just Mirc scripting and ask sometime huge cpu's when a command is to difficult.)

thats about the 2 or 3 years thats saying and i never saw something of it :S.

and also there are no updates of Renhawk.

can someone give me more info over beta release of the programs it will be nice.
