Quote:- How do I create a nickname for XWIS

Registering a nickname on XWIS is as simple as logging in.

Simply connect to XWIS, and login with your desired username and password. Once you have logged in that nickname is registered for you. You can register up to 3 XWIS usernames in this way.

Tip : to avoid automatically logging in with a WOL nickname that you do not wish to register on XWIS first go to "My information" and uncheck the option to automatically login with that account before you press "custom game" for XWIS.
