Apoc from EAHey everyone,

I want to send out a cool C&C newsletter comprised of some of the biggest stories as of this week, so please read on for the headlines, and make sure you don't miss a single word!

These are brief, but very informative.

FRANK KLAPECKI WILL BE CREDITED FOR C&C MUSIC ON VARIOUS MUSIC SITES

I wanted to follow-up with the community on the question of Frank Klapecki's credit for his work as composer on past C&C games. I'm happy to tell you that Frank will be credited on various music sites. I'll keep you posted with further information as it becomes available. We appreciate that you have been so supportive of Frank and look forward to your continued support of the franchise.

C&C BIGGEST FAN SUBMISSION DEADLINE EXTENDED TO NOV 21ST!!!

We have received some awesome submissions for the C&C The First Decade Bonus DVD that definitely showcase the C&C biggest fans in a passionate way. We want to see even more, so we have extended the deadline for submissions to November 21st. Make sure you represent!

Remember, this is your chance to become a part of C&C history. Your video can be as short as 30 seconds or as long as 30 minutes. It can be a flash animation. It can be an awesome photo or artistic image you created. It can be serious or playful. The choice is up to you. We're simply looking for imagery that represents why you think you are the biggest C&C fan. There is a very good chance you could find yourself on our bonus DVD for the Command & Conquer Decade compilation.

I look forward to hearing from all of you! Thanks again and have a great C&C weekend.
