Communities last much longer than clans. Name me one real clan that has been around for 1 or 2 years? There aren't many.

OR people get sick of eachother because many clan war players are dickheads (sorry for the ones who aren't ) OR some members stop it because they get bored of it or they don't have the time left to do it.

ever notice how clans on clanwars.cc own the shit out of communities no matter how old they are?
