Here we are again, with yet another update. This time we have a new addition to the Brotherhood. We call him the Kerubim Elite Guard. He will toat the Nod Plasma Rifle, which was finished a few months back.

Model/Texture: Ray Pinit

Enjoy!

Who is the Kerubim ?

Recent developments in plasma technology have forced Nod for create new faction of forced, dubbed Kerubim. This infantry unit is highly trained to make maximum use of the new plasma rifles. The rifles themselves are light weight and fire damaging plasma balls at a high rate of fire.
