If you want to play on our half-RG server (a00000002, www.thekoss2.org) there should be no problem. If you want to be even more sure, come to our forums (www.thekoss2.org/forum) and explain your problem. We will then make sure you OR play normally, OR get !kickban 'ed if we have serious suspicion. But there will be no !forcerg .
