I don't think it's Spooky, who took that screenshot. It clearly says it's notspooky. Maybe they're friends?

On topic: Why are you posting this in RenGuard Network Bans? If you cheated on a server and they banned you, you should go to their forums and ask for their forgiveness.

If you tried to bypass RenGuard, you should at least copy&paste the ban message you get when you try to connect to the RenGuard network.
