Your so called GW .A.K.A 109thGW has been beaten by RTE when they were competitive in ren and as for now they just chill and play other games while u and rest of GW take the game to the heart . The topic is about ikaika and not a clan or what clan he was in i forgot ur known to be switching subjects. (Was in rte while playing wol with u /against u and still is ) So dont open ur mouth where it shouldnt be opened.

Whatever champ, the only time I played against RT-E was a 2v4 because two of our guys disconnected, we still beat them and they cried about it for hours in the lobby like a bunch of little queers
