Ok... how many times do you have to be told... THAT is a waste. Laugh to yourself... out loud even... just don't post it. You want a definition of spam? It's you. You registered 9 days ago and you ALREADY have, as of this post, 145 posts being 16.11 posts per day. If it's not going to be a contributing factor to the ongoing conversation and more than one smiley, one word, or one abbreviation then don't bother hitting reply.
