I would like to point out light, that I haven't "teamed up with him" he isn't a part of renegadex, and nor am I, all I do is host their forums, thats it, I am not in their clan etc etc.

I too think nopic is a fucking idiot

sh0ck I also disagree with, totally not on their side, Dave agrees with me, they are beginning to be VERY troublesome, they are both now glined
