xptek wrote on Wed, 28 December 2005 13:21DJM wrote on Wed, 28 December 2005 07:29Do you ever post anything useful? The majority (if not all) of your posts either tell us what we already know or re-cycle what somebody else has said.

The majority (if not all) of your posts are either you bitching or you bitching. Please don't quote DJM, he's ignored here but quoting always brings forwards the senceles shit he spreads...

Besides that, I think we all agree with your reply and with the fact that the obvious often still needs to be said.
