howang wrote on Fri, 06 January 2006 10:28I have notice some posts by Blazer on this forum mention that he will make a program that enable WOL support for LFDS, those are posted on 2004 and now is 2006. I still cannot find it. Is it already released somewhere or Blazer just left it undone?

I guess Blazer simply never finished it    Could someone PM me what basic WOL server protocol is like?
