Do you mind shutting the fuck up about clanwars.cc? If a "representative" of that site was needed (which it isn't), I don't think it would be either of you. Wiggles, you've played about five games in the 6 months you've been there, Karmai, you're on the verge of getting suspended because you simply can't follow the rules... and judging by how you talk on cw forums, you hate the league anyway...
